9/11 Memorial Stair Climb

Join us for a unique opportunity on September 11, 2010, at Red Rocks Amphitheater in Morrison. Firefighters and members of the community will come together for a day of fitness and reflection in a truly inspiring setting. Together, we will honor those who sacrificed their lives on September 11, 2001, and help support the families who survived them. [Learn more.](#)

Meet Christopher Metsgar, Clinical Coordinator

Christopher Metsgar joined HealthONE EMS in January of this year. Christopher is the Clinical Coordinator for the Paramedic Education Program at HealthONE EMS and also coordinates development of the online CE offered by HealthONE EMS. He began his EMS career in 2001 as a volunteer EMT in Texas. He completed his paramedic education in 2003 at Texas Tech University Health Science Center, Lubbock, Texas and has

worked in rural and urban EMS and for volunteer, private, and hospital based services.

In 2003 Christopher began teaching part time in the EMS Program at South Plains College. He began teaching full time in 2006 as the Clinical Coordinator and as Intermediate Instructor. He developed the first online EMT Intermediate course for college credit in the state of Texas.

Christopher holds Bachelor and Master Degrees from Texas Tech University Health Science Center School of Allied Health in Clinical Practice Management. He is a National Registered Paramedic and holds Critical Care Paramedic certification.

2010 EMS Week Photo Contest

Congratulations to Chris Rodgers and Chris Sulfrin. They were randomly selected to receive Red Rocks tickets after submitting photographs. Over 43 individuals submitted wonderful EMS vehicle photos to the [EMS Week Contest](#). Thanks for the great participation. [Check out the submissions.](#) While the contest is over, HealthONE EMS would love to see additional agencies represented. Please post a picture of your agency vehicle(s) on the [HealthONE EMS Facebook page](#).
